

Name: Jackie Fitzgerald, MSN, RN

Title: Manager - Corporate Education, Marshfield Clinic Health System (MCHS)

Professional Responsibilities: As Manager-Corporate Education, I provide leadership and direction to a team of educators with a primary focus to develop and implement corporate curriculum and educational programming across the system. Education is developed and delivered in alignment with system goals and desired outcomes. There is collaboration with management and leadership to develop professional system talent and influence performance through employee and patient engagement teams.

My Accomplishments:

- Career path-Certified Nursing Assistant, Oncology RN, Med/Surg RN, Clinical Team Lead, System Clinical Staff Educator, Assistant Manager, and Manager.
- Assisted with multiple transitions and openings of new hospitals and centers.
- Guided the Corporate Education team to develop a graduate nurse program for acute care.

Fun Information about me: I love being outside, taking a walks with my dog, camping and just spending time with my family.
