

Name: Janice Lastovich RN, BAN, BA

Title: System Clinical Staff Educator, Marshfield Clinic Health System (MCHS)

Professional Responsibilities: As a System Clinical Staff Educator I have the opportunity to work with and teach staff in many roles within healthcare, as well as be available to educate throughout our system, both in-person and virtually.

Professional Interest: To bring creativity and professionalism to the educational presentations I teach and work to develop. Not only to better engage the learner but also help them to retain what they have been taught.

My Accomplishments:

- Career path-Med/Surg/Peds RN, Clinical Lead, System Clinical Staff Educator.
- Team lead for the ongoing development of our system clinical orientation program titled Gateways: Your MCHS Journey to Exceptional Care. Team member for a variety of education programs including preceptor, diabetes, bedside shift report and sedation safety as examples.
- Represent Corporate Education on the Wound and Skin Care, Onboarding Committee and Nursing Practice Council in Rice Lake.
- Member of the System and Marshfield Medical Center-Rice Lake Code Blue committees.

Fun Information about me: I love being outside, working in my garden, taking a walk or feeding my crows. When indoors, I love to be creative, whether it be cooking, baking, crafting or sewing. I also love to sing at the top of my lungs and exercise.
